PHYSICAL EDUCATION AT THE YMCA

Meet your PE requirements with the YMCA of Reading & Berks County

Berks Online Learning (BOL) has partnered with the YMCA to provide a physical education component to their educational platform. Students signed up for the YMCA course will have the availability of six convenient locations throughout Berks County. Each student will receive a membership card and be responsible for scanning in using the swipe card system at each Welcome Center.

- Students are enrolled and monitored through Berks Online Learning
- Monthly attendance is provided by the YMCA to BOL which will then be sent to the district to serve as their PE Log. The PE Log will be submitted to PDE by District
- The Y will provide specialized classes based on enrollment numbers at each branch
- Students are enrolled by semester at \$150 per semester
- Students have 30 days from time of their enrollment to drop the course for a full refund to the district less a \$30 drop fee.
- Students are enrolled at the beginning of each month
- If a course is not started within the first two weeks of enrollment the appointed district personnel will be notified to decide if a student should be dropped.
- There are no extra materials costs to the district and the cost of the course is less than half the cost of an online PE course.
- 6 convenient locations to serve our districts, students can go to any branch at any time. Branch locations and contact information is on the back of this page.
